

FERMELE ANDREȘOI

The group of companies owned by the Andresoi family includes 8 commercial companies, as follows:
AGROMARCHISERV SRL, AGROTEHNICA ZOO SRL,
AGRA TRANSILVANIA SRL, TEHNOAGRO SRL,
AGROZOOMED SRL, ZOOTEHNICA COMPLEX SRL,
AGROZOO TRANSILVANIA and ZOOTEHNICA ZOO SRL.

The geographical area in which the group of companies operates is strategically located in terms of climate and logistics in the counties of: Hunedoara, Braşov and Constanta.

Starting from 2016, the strategy of the management team consisted in the migration of the business from an individual to a company, moving from a type of family agriculture to an intensive type of agriculture.

In total, the group of companies currently owns a fattening capacity for young sheep of 1 million heads per year, in 12 farms, and as the area of agricultural land, it exploits 10,000 hectares of agricultural land and 20,000 hectares of pastures.

Therefore, in the seven years since the group's activity developed on the zootechnical and agricultural level through massive investments in farms and logistics, the level of turnover reached 83.4 million euros for the year 2023.
